VOLUNTEERING

The above activities and events are organized and hosted by TBAY-CB Boosters. They take a great deal of work and organization from not only the TBAY-CB Boosters Board, but from all the parents and families whose swimmers are members of the Bay Aquatics-Central Branch Swim Team.

Volunteering is the key element of any team membership. Parents will be required to participate in several activities in support of the team in order to take advantage of the services the TBAY-CB Boosters provide. Please support the TBAY-CB Boosters when asked for your time or participation.

PARENT COOPERATION

It is your obligation as a parent to sign-up to time if your child is swimming in a meet regardless of who is hosting the meet. At every meet that TBAY attends there is timing lane assignments that are generated by the meet manager based on the number of entries per team. If you are the first to arrive at a meet, feel free to get a sign-up sheet started.

Team tents are provided by the TBAY-CB Boosters and usually arrive with the coaches. Coaches welcome and appreciate your help in setting up tents and establishing the TBAY Team area. Providing shade to our swimmers helps them to conserve precious energy that can be zapped by the sun. Space under these tents is reserved for the swimmers only!
