

TBAY Hunter's Green Swimmer Code of Conduct

1. Always treat teammates with respect
2. Do not say hurtful things.
3. Be involved in friendly competition rather than negative or aggressive competition
4. Be supportive of your teammates
5. Treat others as you want to be treated

If the coaching staff determines that you have broken any of the conduct rules, the following will occur:

- 1st offense; warning and parents notified
- 2nd offense; suspended from the next meet
- 3rd offense; removal from the team

It is not okay for your teammates to be mean to you and make you feel bad. If this happens, please talk to a coach so that we can help you.

“I agree to the above codes of conduct, and will follow them as long as I am a TBAY swimmer. I understand the consequences if I break the conduct code.”
