### APRIL SWIMMERS OF THE MONTH.....

To pick the swimmers of the month for April I looked over the results from Area 3/5 Meet as well as practice attendance & attitude shown during April. For **Novice** I chose **Kendal Allen** who had a break out meet at 3/5. Kendal dropped so much time at this meet they almost canceled Day Light Savings! For the **Age Grouper's** I chose **Christiaan Hazlett**. Christiaan is new to our team but has stood out as leader at practice & also had a great 3/5 Meet. Hard work & great racing made these two swimmers stand out as Swimmers of the Month!

## The Short- Long Course Season is upon us!!.....

### A Few Words From .....

I always thought it is funny that Short Course Season is so long & Long Course Season is so short! If the results from Short Course are any indication we should have an awesome summer of Long Course action. Short Course Season we had High Point winners at every meet, sent 9 Westchase swimmers to Junior Olympics that produced individual & relay champions including a state record setting relay. We capped off our long Short Course season with a great Area 3/5 Meet in Sarasota last month that left me depleting my stock of best time ribbons! Our first 50 meter outing is in Winter Haven, April 17-19. This meet is called the Rowdy Cup after Olympian, NBC Sports-caster & Winter Haven Native Rowdy Gains. This will not be a full TBAY effort as only the Lakeland Branch & Westchase will be there. I still think it is possible to place in the top 5 teams with this skeleton crew!
